

On-line Portal ("AIM") for your 6th Form Application

Your application needs to be on the paper application form. Please ensure that your application contains a valid email address that you can use to check on the status of your application and enter into dialogue about your application, together with a mobile number that we can text you on, if need be. This email address **will be your username** for access to the portal.

If your parent contact details include a (different) email address they will also be able to set up an account to keep abreast of your application.

Once your application has been processed you will receive an email inviting you to set up your portal account:

Account Setup

An AIM account has just been created for use with the NSB 6th Form Admissions system using this email address, use the link below to complete your account setup:

[Complete Account Setup](#)

Click here to link to the portal

On receipt of the above email click on the link so you can set up your password and password recovery information.

Please enter your password and select two Secret Questions from the options below, providing an answer to each. In the event of you forgetting or misplacing your password the answers to these questions along with your username will be required to confirm your identity and reset your password.

Password

Enter your desired password *

Desired Password

Confirm your desired password *

Confirm Desired Password

Secret Questions

Choose answers you will remember! They do not have to be the true answers to the questions, just what you will remember!!

Question 1 *

Question 1...

When you have completed the above you can log into your account. Summary information will be displayed about your application. Please check that this is accurate and inform us if there is any discrepancy. The information on this screen will be updated during the process of your application and will show a record of any changes we instigate or that you request.

You will receive a notification if we make a change to your status or respond to a query

The status will be changed as we go through the process from now until after the results in August

The screenshot shows a user interface with a dark navigation bar at the top containing a logo, 'Dashboard', 'Application', and 'Support' with a dropdown arrow. On the right, it says 'Logged In As: oharris@nsb.northants.sch.uk' and a 'Logout' button. Below the navigation bar is a light blue notification banner that says 'You Have 1 Notification' with a '1' in a circle and a dropdown arrow. The main content area is divided into three sections:

- Course Choices:** A table with two columns: 'Course Name' and 'Option Block'.

Course Name	Option Block
Maths	3
Biology	2
Chemistry	1
- Application Status:** A table with two columns: 'Status' and 'Date'.

Status	Date
Application Received	08/01/2016 13:06:39
- Talk To Us:** A table with two columns: 'Created By' and 'Message'.

Created By	Message
OHA 08-Jan-2016 13:08	Application Status Updated - Thank you, for your application.

Blue callout boxes with arrows point to the notification banner and the 'Application Status' table.

Click on "Application" for full details of the application form. On the application Form page is a "Talk to Us" button. If you have any requests or queries click on this and type in a message. You will receive a response as soon as we have had a chance to consider your query. Any queries and any responses will be listed on your Dashboard page.

Talk to Us

Latest update from us

Type your message here then click Save

The screenshot shows the 'Talk to Us' form interface. At the top is a blue header with the text 'Talk to Us'. Below this is a table with two columns: 'Created By' and 'Message'. The table contains one entry:

Created By	Message
adam 09-Jan-2016 14:03	Application Status Updated - Thank you, for your application.

Below the table is a text input field labeled 'Enter Message' and a blue 'Save' button. Blue callout boxes with arrows point to the 'Created By' column of the table, the 'Enter Message' field, and the 'Save' button.
