Dear Parent/Guardian

As you are aware your son is studying the GCSE Food Preparation & Nutrition course. We would like him to take part in the FutureChef competition sponsored by the SpringBoard charity. The competition gives him the opportunity to challenge classmates and local peers through a four-staged nationwide culinary competition. It culminates in a national final at Westminster Kingsway College where winners of the 12 regions go head to head and one talented student becomes the National FutureChef winner!

We are planning to conduct Stage 1: The School Heats, during his lesson on Tuesday 11<sup>th</sup> October. He will need to bring ingredients, preferable serving dishes and any specialist pieces of equipment not available in school with him in the morning. These should be brought to D8 where they can be safely stored during the morning when the boys are in other lessons and if appropriate collected at the end of the day. Further details of the competition can be found on the enclosed document.

The two winners from the group will go forward to Stage 2: The Local Finals are to be held at Northampton College on Monday 7<sup>th</sup> November 2016.

Please return the consent form with the information required below by **Tuesday 4<sup>th</sup> October 2016.**
