Resit Examinations – Summer 2015

Although the deadline for entering candidates for the summer examinations is not until February, we would be grateful if you could give us an indication of whether or not you wish to resit any of the examinations that you did this year.

Please complete the form below and return to Mrs Harrison, Examinations Secretary by 12 January 2015 at the latest. Overleaf you will find details of the costs of resits by Examination Board. At this stage you will not be invoiced for the costs but when the entries are confirmed following the trial examinations you will be asked to complete the payment for your resits.
