22nd March 2017

YEAR 9 PARENTS' EVENING – Thursday 20th April 2017, 5.00 pm - 8.00 pm

You are invited to attend the Year 9 Parents' Evening to discuss your son's progress with his subject teachers.

- The purpose of this evening is to discuss the progress of your son with each subject teacher.
- Information about the Preferences for subjects to be studied in Year 10 will have been given out at the Preferences Evening on Thursday 30th March.
- During the next two school weeks your son will be asked to negotiate appointments for you with each of his teachers. Details of these will need to be written on an appointment sheet supplied by his Form Tutor.
- To minimise the waiting time for parents, students are requested to allow at least ten minutes between each of the appointments.
- Appointments are of five minutes duration. If there are problems which cannot be resolved during this time, please be prepared to make alternative arrangements to meet the teacher concerned at another time.
- Students and staff will be available during the evening to assist parents to meet their appointments.
- A member of Senior Staff, the Year Team Leader, the SEND Coordinator, a member of the Additional Intervention Team and the Careers Advisor will be available in the Concourse throughout the evening for an informal chat if you wish to discuss anything with them. Please feel free to approach any of the above whenever convenient and we will try to answer your questions at the time. If the person you would like to speak with is busy, you can always come back again at a later time, or wait if you prefer.
- **You are requested to confirm your acknowledgement of this letter by signing and returning the reply slip to your son's form tutor.**
- Parking is available in The Cripps Hall car park, opposite the school. Please enter the building through the main front door.

For further information please contact Mr R Davies at the school. Thank you for your continuing support.
