To Year 11 Students and Parents

**Help and Support for GCSE Trial and Summer Examinations**

Year 11 begin their Trial Examinations on 4 January 2017 next term. In order to support our students we highly recommend GCSE Revision guides for parents & carers to purchase at a reduced price. In the past, students have used these for the summer examinations alone but this year we can offer students the opportunity to have these Revision guides ready for the Trial Examinations as well.

Please complete the attached order form and return it to Mrs Onyett, in the school library with your payment, by Wednesday 30<sup>th</sup> November 2016. Orders will be available for collection from Monday, 12<sup>th</sup> December 2016.

We also offer free of charge a booklet "Revision, A guide for Y11" for your son to help him think about how to revise. The booklet contains tried and tested revision tips and techniques that can be used for the Trial Examinations as well as the GCSE Examinations in the summer.

These will be available to collect with the revision guides.
