Dear Parent/Carer,

## Subject: South Africa Tour 2025

In order to prepare appropriately for your international flights, we need to collect Advanced Passenger Information (API) from each of the individuals travelling on Tour. Here is the website link <https://edm.englandrugbytravel.com/p/4J21-UED/tours-api-form> that parents/carers can use to submit their API information. When prompted, please state your Tour group name as **Northampton School for Boys Rugby Tour South Africa 2025** and Booker reference number **TSTP141831**. We will need to share this information with the airline who will in turn pass this information on to local government authorities.

It is important that you **complete the submission accurately as per your passport details**. Any errors may result in entry being delayed or refused, and/or additional costs being incurred. The information submitted in the form will be processed securely in accordance with our privacy policy which can be found here: <https://www.englandrugbytravel.com/privacy-policy/> Should any passports expire before or during your Tour, a replacement passport will need to be applied for and a new API form submitted with the updated information as soon as it is received.

**The deadline for all API information to be received is Sunday 1 December 2024.**

Kind regards
